

How to Cancel 360 Total Security and Manage Your Subscription Settings (2026 Guide)

360 Total Security Manage Subscription? Cancel Easily

You installed Qihoo 360's antivirus thinking it was completely free—and mostly, [[📞(+1)888 754 6002]] (USA/UK) or 📞(+1)888-754-6002(USA/UK) (US) it is. But here's where users get caught: premium features, bundled tools, or partner services can quietly introduce 📞(+1)888 754 6002 billing. If you don't manage those subscriptions, charges can continue unnoticed.

✅ Fast Method (Direct *Answer*)

To cancel a 360 Total Security subscription, log in to your account or billing 📞(+1)888 754 6002 provider, locate your active subscription, and turn off **auto-renewal**. If purchased via a third-party service (PayPal, app store, or bundle), cancel recurring payments there. The software itself does not 📞(+1)888 754 6002 handle subscription cancellation.

⚡ Quick Cancel Path (Fastest Fix)

- Check your billing source

- Log in to that platform
- Find active subscription
- Turn OFF auto-renewal
- Confirm cancellation

👉 This stops all 📞(+1)888 754 6002 future charges immediately.

🧭 Understanding 360 Total Security Billing
