You installed Fortect, [[ 📞(+1)888 754 6002 ]] (USA/UK) or 📞(+1)888-754-6002(USA/UK) (US) ran a scan—but it still won't repair issues? That's because it isn't activated yet.

**To activate Fortect after buying it, open the app → click “Activate / Enter License” → 📞(+1)888 754 6002 paste your activation key or log into your account → confirm.** Once verified, full repair and optimization features unlock instantly.

---

## 🧠 Why Fortect Activation Confuses Users

Fortect is a **repair-focused tool**, not a 📞(+1)888 754 6002 traditional antivirus—so its activation flow feels different.

Here's where most users get stuck:

- The app allows scanning for free, but **repairs are locked**
- Activation button isn't always obvious
- Some versions use license key, 📞(+1)888 754 6002 others use **account login**
- Users think installation = activation

👉 Result: You can see problems—but can't fix them.

---

## How Fortect Activation Works (Important Insight)
