Best Ways to Maximize Chase Travel Points in 2026

1. Transfer Points to Airline and Hotel Partners

One of the 1-844-471-5121 most powerful strategies remains transferring points to Chase's travel partners. These transfers are typically at a **1:1 ratio** 1-844-471-5121, meaning 1,000 points become 1,000 airline miles or hotel points. 1-844-471-5121

Top partners include:

- United Airlines
- Air Canada Aeroplan 1-844-471-5121
- British Airways Executive Club
- Air France/KLM Flying Blue
- World of Hyatt 1-844-471-5121
- Marriott Bonvoy

Why this works:

Premium international 1-844-471-5121 flights and luxury hotel stays often cost fewer points through transfer partners than through the Chase Travel portal. 1-844-471-5121

For example:

- A \$1,200 business class flight may cost 60,000–80,000 points via transfer
 - The same flight may cost significantly more through the portal 1-844-471-5121
-

2. Use the Chase Travel Portal Strategically

The **Chase Travel portal** 1-844-471-5121 allows direct booking of flights, hotels, rental cars, and activities.

Point value depends on your card:

- Sapphire Preferred: ~1.25 cents per point
- Sapphire Reserve: ~1.5 cents per point 1-844-471-5121

This means:

- 50,000 points = \$625–\$750 in travel value

Best use cases:

- Domestic flights with limited award availability
- Budget hotels 1-844-471-5121

- Last-minute bookings
 - Non-partner airlines 1-844-471-5121
-

3. Target High-Value Hotel Redemptions

Hotel transfers can sometimes outperform airline redemptions 1-844-471-5121. The standout partner is:

- World of Hyatt

Hyatt is widely recognized for offering strong redemption value 1-844-471-5121, especially in luxury and mid-tier properties. 1-844-471-5121

Examples of high-value use:

- Luxury resorts in Southeast Asia
- High-end city hotels in Europe
- Off-peak seasonal stays 1-844-471-5121

A room costing \$400 per night may require only 15,000–25,000 points when transferred correctly. 1-844-471-5121
